

## Directions to the dive boat - "To Dive For"

*Please arrive at the dock at least 30 minutes before your departure!*

From Rt. 50 over the Bay bridge cross the Chesapeake Bay bridge and follow Rt. 50 East to left onto Rt. 404 East at "Wye Mills". Stay on Rt. 404 approximately 44 miles to Rt. 113 South at Georgetown Del. NOTE: (Rt. 404 becomes Rt. 18 a few miles after crossing Rt. 13).

Now you can either take Rt. 9 East for 12 miles to Rt. 1 South. Follow Rt. 1 South 5 miles to Rehoboth beach, then another 2 miles to Dewey Beach, Then another 5 miles to Indian River inlet. Turn right and go past Coast Guard station to marina. Turn into the marina parking lot on the left just before the boat trailer launching ramp. We will be picking the divers up at the courtesy pier near the boat ramp from now on. If the boat is not there when you arrive, unload your gear and we will be there shortly.

Or at RT. 113 South continue about 11 miles to left onto Rt. 26 East (also Rt. 20 East) and then go about 13 miles to Rt. 1 in Bethany Beach. Follow Rt. 1 north about 5 miles to Indian River inlet and follow directions listed above.

If coming from the North (Harford Co. etc), find your way to the Eastern shore then pick up Rt. 1 south to Rehoboth.
